FUTURE WILL

"Will" often suggests that a speaker will do something voluntarily. A voluntary action is one the speaker offers to do for someone else. Often, we use "will" to respond to someone else's complaint or request for help. We also use "will" when we request that someone help us or volunteer to do something for us. Similarly, we use "will not" or "won't" when we refuse to voluntarily do something.

Examples:

- I **will send** you the information when I get it.
- I **will translate** the email, so Mr. Smith can read it.
- **Will** you **help** me move this heavy table?
- **Will** you **make** dinner?
- I **will not do** your homework for you.
- I **won't do** all the housework myself!
